

## KEY INSTANT RECALL FACTS

### Reception – Spring Term 2

#### TARGET:

- I can partition numbers to 5 into two groups.

#### By the end of this term children should be able to:

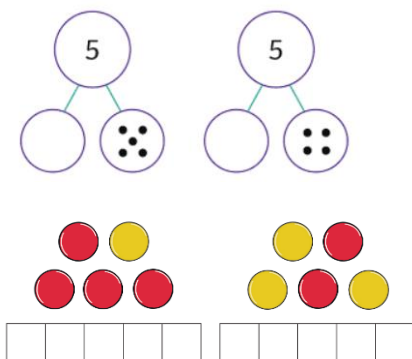

- Partition (split) the number 5 into two groups,

**Top Tips...**the secret to success is practising **little** and **often**. Use time wisely.

- Practise Key Facts while walking to school or during a car journey.
- Have a fact of the day.
- Once your child is becoming more confident you could give them one number and ask them "how many more to make 5".
- Play games - to support your child in maths your child has access to **Numbots/Times Tables Rock Stars, Purple Mash** and the White Rose 1 minute App (<https://whiterosemaths.com/resources/1-minute-maths#download>) is brilliant for building number confidence and fluency.

#### Key Vocabulary

**Partition** - separating into 2 or more groups to make a given number

	0	5
	1	4
	2	3
	3	2
	4	1
	5	0

**Remember** - by the end of the term they should be able to recall these confidently and quickly without counting on their fingers.
