## KEY INSTANT RECALL FACTS Year 1 - Spring Term 2

## Key Vocabulary

TARGET:

- Know all addition and subtraction facts for numbers 0-10

What do I add to 5 to make 10?

What is 9 take away 6?
What is 3 less than 8 ?
How many more than 2 is 9 ?

- Recall addition facts and subtraction facts of the numbers 0-10

Top Tips...the secret to success is practising little and often. Use time wisely.

- Practise Key Facts while walking to school or during a car journey.
- Have a fact of the day.
- Once your child is becoming more confident you could give them one number and ask them "how many more to make 8"
- They could use cubes, pasta or teddies and ask... "you have 3 teddies in your bed, how many more make 7?"
- Play games - to support your child in maths your child has access to Numbots/Times Tables Rock Stars, Purple Mash and the White Rose 1 minute App (https://whiterosemaths.com/resources/1-minute-maths\#download) is brilliant for building number confidence and fluency.
