Composite/Outcome. Know the five British Values.	Composite/Outcome	Composite/Outcome Children improvise to Ma-ma Mia using melodic instruments.	Composite/Outcome Children are able to talk about what life is like for Hindus in Britain today/.

Our Book this term:

### How to Train Your Dragon

Hiccup (Tawin Yavapolkul) is a Norse teenager from the island of Berk, where fighting dragons is a way of life. His progressive views and weird sense of humour make him a misfit, despite the fact that his father (Kongkrapunt Sangsuriya) is chief of the clan. Tossed into dragon-fighting school, he endeavours to prove himself as a true Viking, but when he befriends an injured dragon he names Toothless, he has the chance to plot a new course for his people's future.
