

ST JUST PRIMARY SCHOOL

ASSESSMENT IN PSHE AND RSE

Prior Learning

Assess previous knowledge and key concepts that will allow new learning to take place. PSHE topics build on previous learning so children can build on this prior knowledge.

Start of a lesson

Recap of key skills from previous years that are linked to lesson focus. Discuss the WALT with the children.

Input of the lesson

Assess pupils' understanding through questioning and feedback, cold calling, show me boards and whole class discussions.

Teacher to model the use of specific skills using the relevant vocabulary. Teacher to use questioning to ensure understanding.

Teacher to use Lifewise presentation as teaching tool. Slides include online videos which introduce new concepts and questions and answer slides where pupils show understanding. This is developed further in the 'scenario' section where pupils have to show a deeper level of understanding by explaining what they would do in a given situation.

During independent practice

Assessment of understanding through lesson activity and continued questioning via the adults in the classroom.

End of the lesson

Review the end of the session through questioning and discussion. The lesson finishes with a class quiz where they answer questions based on the learning.

End of unit assessment, children complete the Evaluation sheets set to check for understanding. Teacher to look for gaps in knowledge and understanding

Other Assessment opportunities

Discussion in assemblies, feedback to class councilors
