

# Bishop Rock Class

## Why are rainforests important to us?

### Homework Menu

Here is our half-termly Homework Menu linked to our summer term one theme - *Why are rainforests important to us?*

As well as reading daily at home and practicing times tables on Times Table Rockstars, please aim to complete two activities from the 'Homework Menu'.

Make a 3D model of a rainforest animal.	Create a rainforest inspired collage or piece of art work.	Create a rainforest themed word search.	Research five rainforest animal and plant adaptations.
Create a quiz for the class with 15 questions. (You'll need to make an answer sheet too.)	Write a story about being lost in the Amazon. Include some of the animals you have learnt about.	Draw a world map and mark the location of all the rainforests? What do you notice about where they are located?	Make a poster persuading people to help save tropical rainforests from destruction.

\* Homework can be brought into school to display in our class Homework Gallery and / or be uploaded to Seesaw \*
