

KEY INSTANT RECALL FACTS

Year 1 – Autumn Term 1

TARGET:

- I know all my number bonds to 5.

By the end of this term children should be able to:

- Quickly recall number bonds to 5 (Number bonds are 2 numbers that go together to make a number)

Key Vocabulary

What do I add to 3 to make 5?

What is 5 take away 4?

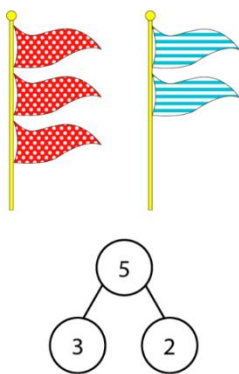

What is 3 less than 5?

How many more than 1 is 5?

Top Tips...the secret to success is practising **little** and **often**. Use time wisely.

- Practise Key Facts while walking to school or during a car journey.
- Have a fact of the day.
- Once your child is becoming more confident you could give them one number and ask them "how many more to make 5".
- They could use cubes, pasta or teddies and ask... "you have 3 teddies in your bed, how many more make 5?"
- Play games - to support your child in maths your child has access to **Numbots/Times Tables Rock Stars, Purple Mash** and the **White Rose 1 minute App**

(<https://whiterosemaths.com/resources/1-minute-maths#download>) is brilliant for building number confidence and fluency.

5	
3	2

	0	5
	1	4
	2	3
	3	2
	4	1
	5	0

Remember - by the end of the term they should be able to recall these confidently and quickly without counting on their fingers.
