

KEY INSTANT RECALL FACTS

Year 2 – Summer Term 1

TARGET:

- I know all addition and subtraction facts for multiples of 10 to 100.

By the end of this term children should be able to:

- Quickly recall addition facts of multiples of 10 to 100,
- Quickly recall subtraction facts of multiples of 10 to 100,

Key Vocabulary

What do you **add** to 20 to make 100?

What do you **add** to 70 to make 100?

What do you **subtract** from 100 to make 60?

What do you **subtract** from 100 to make 40?

Top Tips...the secret to success is practising **little** and **often**. Use time wisely.

- Practise Key Facts while walking to school or during a car journey.
- Have a fact of the day.
- Pronunciation:** Make sure that your child is pronouncing the numbers correctly and not getting confused between thirteen and thirty; nineteen and ninety.
- Play games - to support your child in maths. Your child has access to **Times Tables Rock Stars**, **Purple Mash** and the **White Rose 1 minute App**

(<https://whiterosemaths.com/resources/1-minute-maths#download>) is brilliant for building number confidence and fluency.

$0+100=100$	$100+0=100$
$10+90=100$	$90+10=100$
$20+80=100$	$80+20=100$
$30+70=100$	$70+30=100$
$40+60=100$	$60+40=100$
$50+50=100$	$50+50=100$

Remember - by the end of the term they should be able to recall these confidently and quickly.
