**Top Tips...**the secret to success is practising **little** and **often**. Use time wisely.

- Practise **Key Facts** while walking to school or during a car journey.
- Your child has access to **Purple Mash** and **Times Tables Rock Stars**

**REMEMBER...** Building confidence in mathematics is crucial so be pleased with their efforts and always encourage with praise. Make sure these practice sessions are enjoyable - if your child is really not in the mood it is the wrong time to be practising!

**Remember** - by the end of the term they should be able to identify these confidently and quickly.
